

2021 Awakening Announcement

Dear Community,

We are heartbroken to announce the cancellation of the 2021 Awakening due to the ongoing concerns regarding COVID-19. Acting on faith rather than reacting in fear, the Board of Directors prayerfully sought God's guidance before reaching this difficult decision. We are

confident that God will continue to minister to and through our Great Banquet and Awakening community during this time. Please join us in praying for the Awakening community and all future sleepers who will soon experience the weekend.

In addition, the community gathering scheduled for November 14th in Jackson, TN has been cancelled. Since we understand that our community is hurting for connection right now, please stay tuned for new ways the Board of Directors is planning to keep us connected to one another.

Finally, let us continue in prayer for all those affected in so many different ways by this disease. Thank you for your faithfulness in prayer and service.

**De Colores,
The Great Banquet Board of Directors**
